

Are You a Toll Processor?

If you operate a warehouse or service center and a significant portion of your business comes from the toll processing of other people's metal, then you belong in the **Metal Center News Directory of Toll Processors**. This valuable resource is included in each February issue of *Metal Center News*. If you want to be included in the next year's directory, complete this form and fax it back soon. Remember, it's **FREE OF CHARGE**.

Please fill out and fax back this brief questionnaire to 630-572-0689.

Please fill in the following contact information to be published in the next February *Toll Processing Directory*:

Company: _____

HQ Address: _____

Phone: _____ Fax: _____ Web: _____

Not for publication: Please list a contact person, phone number and e-mail address to verify information:
