UAW Ratifies GM Contract...Members of the United Autoworkers have ratified the 2019 collective bargaining agreement with General Motors, ending the longest automotive strike in 50 years. [MORE](#)

Reliance's Sales Dip in Third Quarter...Reliance Steel & Aluminum Co., Los Angeles, reported net sales of \$2.7 billion in the third quarter, a 6.9 percent decline from the previous quarter and down 9.7 percent from the third quarter of 2018. For the year to date, Reliance's sales were down 2.2 percent to \$8.5 billion. [MORE](#)

Leeco Launches Redesigned Website...Steel plate supplier Leeco Steel, Lisle, Ill., has launched its redesigned website. Leeco is a subsidiary company of O'Neal Industries, Birmingham. [MORE](#)

Liberty Steel to Become Single Global Entity...London-based Liberty Steel plans to merge into a single global group through the consolidation of GFG Alliance's steel business. The combined company would have 18 million tons of rolled steel capacity and annual sales of approximately \$15 billion, making it the world's eighth-largest steel company outside of China. [MORE](#)

USMCA Passage Urged...A coalition of businesses and trade groups representing manufacturing of all types is urging Congress to pass the United States-Mexico-Canada agreement this fall. A letter sent to Congress was signed by representatives from more than 350 companies and organizations. [MORE](#)
